

2022 Injection Molding Training Schedule

Date	Class	Location
February 1 - 3	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Los Angeles
March 1 -3	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Chicago
March 22 - 24	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Los Angeles
April 19 -21	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Charleston, SC
April 26 - 28	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Los Angeles
May 17 - 19	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Cleveland, OH
June 7 - 9	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Chicago
August 16 - 18	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Charleston, SC
September 13 - 14	Thermoplastic Part Design, Part Defects & Scientific Injection Molding	Chicago
October 18 - 20	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Los Angeles
November 15 - 17	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Cleveland, OH
December 12 - 14	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Chicago
