

2023 Injection Molding Training Schedule		
Date	Class	Location
February 21 - 23	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Chicago
March 21 – 22	Thermoplastic Part Design, Part Defects & Scientific Injection Molding	Los Angeles
April 25 – 27	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Cleveland, OH
May 23 – 25	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Los Angeles
August 15 - 17	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Chicago
September 19 - 21	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Cleveland, OH
October 24 - 26	Fundamentals of Scientific Injection Molding:	Los Angeles

	Hands-on, Setup, Processing & Troubleshooting	
December 5 - 7	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Chicago
