

2025 Injection Molding Training Schedule

Date	Class	Location
February 18 - 20	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Los Angeles
April 1 - 3	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Chicago
May 6 - 8	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Atlanta
June 3 - 4	Thermoplastic Part Design, Part Defects & Scientific Injection Molding	Los Angeles
September 9 - 11	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Cleveland
October 14 - 16	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Chicago
November 11 - 13	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Los Angeles
December 9 -11	Fundamentals of Scientific Injection Molding: Hands-on, Setup, Processing & Troubleshooting	Cleveland
